## WASH ONE ANOTHER'S FEET

4/15/18

Rev William Lewis

John 13:1-17

Washing feet was the common task of a servant in Jesus' day. How do you think Jesus would demonstrate servanthood if He was present in our day?

When and how has somebody "washed your feet"?

Why do you think the Creator of the universe would bend low as a servant to wash our feet?

What does it mean to you when you consider that we are made in the image and likeness of God?

What has been your greatest satisfaction in life?
