Exodus 33:13-18, 1 Corinthians 3:16

In Exodus, Moses brings a very bold request to God: "Show me Your glory." Are you willing to pray bold prayers to God?

Are these prayers that bring you further into God's presence?

Moses does not want to be apart from God's presence, even if he is going into the promised land. How often do we find ourselves going for God's blessings instead of God himself?

The presence of God changes us. How do you seek God's presence daily?

In what ways has He changed you?

Take time to pray this week. Pray a bold prayer. But also take time to listen for His voice, because His presence is what changes us.
