

Utange Orphans Charity

We are so grateful for your loyalty and commitment in supporting our work in Utange these past years. From journeying with us I'm sure you're aware our hearts are to help the poorest children, giving them hope for a brighter future. To this end we're building Celebration High School. Phase 1 will open in January 2019. We prayerfully expect 70 orphans and other disadvantaged children to excitedly skip into 2 of the classrooms on January 7th for the first time! We've employed local builders for the construction and appointed qualified teachers and staff from the community so they and their families benefit too.

51 of the 70 children have sponsors. The pupils in the picture above don't yet have any support. They leave Primary School in December (where education is free) Their hearts desire is to continue to Celebration high school to further their learning. Living in poverty makes it impossible for them to progress without help.

If you're able to give an extra gift this Christmas towards educating one of these children it would be wonderful. Or if you feel able to sponsor a child for school, just £29 per month will cover all they need. It's very rewarding to help improve a child's life. We'll notify you termly of their progress and hobbies.

With your help it's been amazing how much we've achieved; January sees the 10th anniversary of the opening of Casuarina House Orphanage. FEED500 is in it's 7th year and now Celebration High School will open in 2019. Thank you so much for your kindness and generosity. Together we've made a difference!

From the children and the Team we wish you all a very Happy Christmas and Prosperous New Year!

God bless
