

## Kenya Newsletter -February

A big "thank you" to our Swedish sponsors who've partnered with us to set up Celebration Health Care in their Pink House.

Situated across from Celebration High School. We launched CHC last month with a Counsellor, Doctor, Nurse and Medical Receptionist on site to take care of the students emotional and physical needs. An exciting new venture for us!

We'll be opening our doors to the poor in the wider community at the end of February when we run a 3 day free medical camp. Offering family planning, cervical cancer screening, HIV testing and treatment of minor ailments. A much needed service.

It's been a busy January at Celebration High School too as we enrolled a further 60 students. Many orphans and disadvantaged children were queueing across the field in the hopes of a place. The above are the lucky ones that many of you have committed to supporting for 4 years. Thank you for your kindness and generosity. We begin this new year looking for 60 more sponsors for the 2021 intake. Please contact me if you're able to give a student hope for a brighter future by sponsoring their education.

Our Christmas treat with the Casuarina Kidz saw us back at the beach, always a favorite! Sausage n' chips washed down with a soda for lunch followed by a boat ride up the creek. Dennis above was concentrating very hard when it was his turn to steer!

FEED500 filled many tummies this Christmas and New Year. Giving these little ones something to smile about.

Our bi annual Charity Ball is fast approaching. Saturday 14th March at The Sharnbrook Hotel, Beds. Our Auctioneer this year is David Fletcher from the BBC TV program "Flog It". Tickets are £40 to include delicious 4 course meal then dancing to Rhythm n' Roots live band. It's a masked ball, back by popular demand! See poster attached with further details. Please feel free to display. It's always a fabulous night as well as an opportunity to raise funds. Kindly contact John Creasey for tickets: 01234 313404.

Lastly Ant Scott (my son) is running the London Marathon in April to raise funds for the children. If you would like to spur Anthony on to the finish line then please donate via this link: <https://justgiving.com/fundraising/ant-scott-london-marathon>

Thank you everyone for your support!

God bless,
