

Joann Gammichia. Born and raised in Michigan, Jo has also lived in Delaware and Pennsylvania before moving to Florida in 2001. Coming from a Lutheran background, she attended Concordia Jr. College to become a Deaconess. However, she ended up with a degree in Social Work and worked at Catholic Charities and the State of Delaware. Later, she obtained a Masters in Human Resources, using that education to work in profit, non-profit, and government entities allowing her to travel to many different countries.

She completed her course work toward a PhD in Theology from Florida Christian University, studied 9 years with Bible Study Fellowship International and multiple other programs, including Stephen Ministry leadership.

Jo was privileged to serve on staff at Calvary Assembly in Winter Park, FL as Pastor of Life Groups, Christian Education and oversaw Human Resources.

Gaining a more thorough understanding of the power of Christ while in college, has led her on a journey of enjoying God in many different ways over the years. And personally experiencing the benefits of small group community, she is excited to help others become part of this experience. She continually seeks to grow in her reliance of God and feels honored to serve as an Elder of Life Groups.

She is married to Dr. Vic Gammichia and together they have 8 children, and #11 grandchild on the way.
