

A special treat.... sumptuous crunchy green apples! Thanks to Disney's Yellow Shoes Creative Group in Celebration, Florida who took a collection enabling us to purchase 600 apples for the orphans on the feeding program recently. It was wonderful to be able to give the children this treat as well as a little extra healthy nourishment.

Prices for the hot meal of beans we serve are still very high but the maize flour is slowly coming down in price. We're praying Kenya's next maize crop will be abundant so costs continue to decrease.

It was all hands on deck with the Casuarina Kidz home for the summer break. Once they knew plastering was finished up at Celebration High School they were eager to see things move forward and offered to help paint the inside of one of the rooms. A fantastic job was done by all especially Mariam our youngest (in orange) mopping up the splashes afterwards!

I'm pleased to report the Library, Computer Room and Training Centre are almost complete. Building four more classrooms are next on the agenda. If an individual (or group) would like to sponsor a classroom or have one named in memory of a loved one then contact me. Cost is £3,000. (\$4,000) We will erect a plaque in acknowledgement.

Our next sponsor trip departs October 15th 2020 for 2 weeks. Staying at the luxurious Severin Sea Lodge Hotel, beautifully situated on the edge of the Indian Ocean: [www.severinsealodge.com](http://www.severinsealodge.com) Relax, swim, snorkel, experience another world on safari and also in the village visiting our projects. Attend the official opening of the 2nd level of Celebration High School. Those who sponsor a student can meet them on the day. This "best of both worlds" unique experience isn't something you can buy in the holiday brochures..... Contact me if you'd like to join this trip of a lifetime!

Thank you to everyone for your kindness and generosity. It's astounding what we're achieving with your support!

God bless,  
Debbie Scott-Robinson
